No Salvation Army Kettle!

Covid 19 claims another victim as McGregor Lions will not be participating in bell ringing for the Salvation Army Kettle this year. I sure hope that we can help out in 2021!!

Thank You Gambling Staff and Owners!!

THANK YOU! Gambling Manager Jerry Feucht wants to send a big thank you to his staff; Tom, Nancy, Carol, and Patty for the hard work in shutting down all of our gambling sites for the second time this year and they did it in just a couple of days time. It is a huge undertaking and the teamwork was incredible. Also thanks to our site owners for helping prepare the games for pick up.

Bar Manager Volunteer Still Needed!! **(Reprinted from the October/November Newsletter)**

After many years of service Dick Valley, due to health considerations, has retired as our Lions bar manager. Please thank Dick for the work he has put in!

The issue now is replacing him. It appears no hands have gone up to take over. It is hard to believe that in our whole club no one will take on a job that is vital to us.

The bar manager is in charge of keeping the bar stocked-using the vendors we have. Also the bar manager needs to make sure we have bartenders for events like Weddings and Lions meetings. He or she is also responsible for the money and accounting of receipts and sales. Let's be creative. The bar manager can be a shared position. If you are a snowbird, you could manage when you are here, and someone who is here in the winter could help out during that time. Summer is the busiest season. When there are events Lion volunteers can take care of the bar. The manager need not attend all events.

It is discouraging to need to struggle to get members to do things. Our motto is 'WE SERVE' and not we let others serve.

New McGregor Lions Member!!

Our newest McGregor lion member, Brad Johnson the new school superintendent, was inducted at our Board Meeting, November 23, by past President, Deb Laursen and sponsored by Shirley Scollard. Whenever we can have a regular meeting, he will be presented and re-introduced to the general membership. Welcome Brad!!
