McGregor Lions Facebook Page

Hey McGregor Lions!! We now have our very own Facebook page. It's called, "McGregor MN Lions Club", and it's a public page so all our friends can see what we are all about. We plan to use it to share good news from our meetings, and to publicize and invite folks to our events. Plus we hope to encourage new members to join. We'll include meeting dates and times, and any activities where we are looking for volunteers. And most of all we'll report on all the fun that we have while helping out around our community. Be sure to 'follow' (and 'like') the page so you will get all the new notifications!!

If you have something you'd like to share on the page, please call me, or better yet, send me an e-mail at carol.jansen@gmail.com. We also welcome any helpful ideas you might have for getting the most out of our new Facebook page

Be sure to check it out – **McGregor MN Lions Club.**

International Director Bruce Beck at the February Meeting

Bruce Beck, International Director, attended the February meeting to share a road map to our Lions 2nd Century goal to serve 200 Million people worldwide. Lions focus will be Diabetes and Childhood Cancer. Clubs need to find out what are their community needs, learn how to take care of that need, act on that need, and then celebrate the outcome. Make your passion come alive. 99% of outcome is your attitude – you can get it done if you're positive.

Get new member ideas for service. Explore new markets – 38% women membership, should be 50/50. Look at My App on Lions site for ideas on what other clubs are doing. Many folks don't like meetings, but they'll help if asked. Bruce presented an International Presidents pin to Lions Carole, Russ & Betty Thompson, and a Centennial Lion to Lion BettyJo.
